PROFESSIONAL MONITOR MANUFACTURER WHO
MASTERS CORE TECHNOLOGY

COMPANY PROFILE

Shenzhen JLD Display Expert Co.,Ltd (RESHIN) is a new high-techenterprise which integrates professional display products R&D,manufacturing, marketing and service together. RESHIN has more thana decade of experience in displaying solution,and core team hasaverage 15 years experience in professional display. It cooperates withinternational renowned semiconductor and develops driving and imagecalibration technology of professional display. Such great R&D powercould meet different requirements on high-end professional monitors fordifferent customers.
